Group 36 Meeting 10/11/22

Team Leads: Triston Babers, Meron Asfaw

Attendance

take attendance at this part.

Group Name??

Project Idea Brainstorming

[Current Specs] (Copied from yesterday's lecture)

Main Focus: Information Management, for example:

- Posts
- Short form like tweets
- Long form like blog posts
- Anything in between
- Pictures
- Any other information your users would like to store
- This domain is pretty broad, and making a quality general

purpose information management app that is interesting can

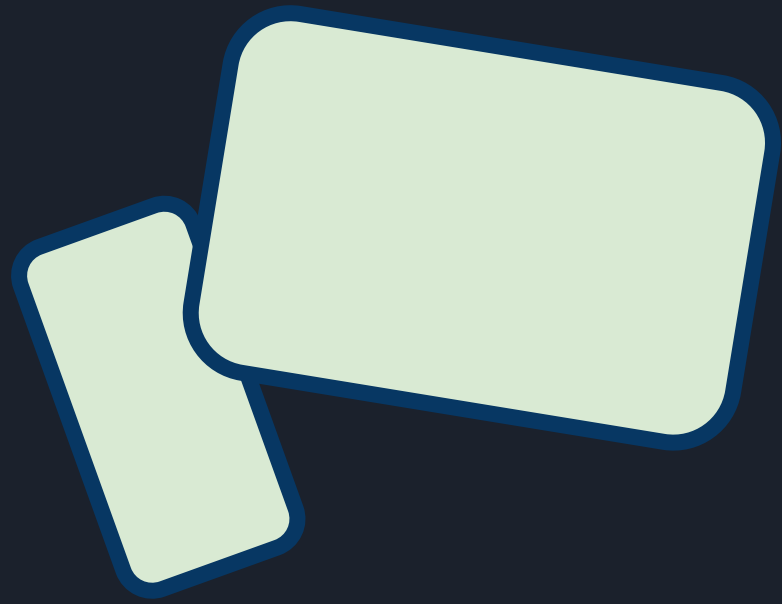
My Personal Idea: Photo Storage Website?

Basic Description

Image Storage App, kind of like reddit, but you can only see your own and your friends images.

Data Security: Photos are encrypted on the server to prevent theft.

Target Platform: Mobile Devices



Group Bonding Event Voting

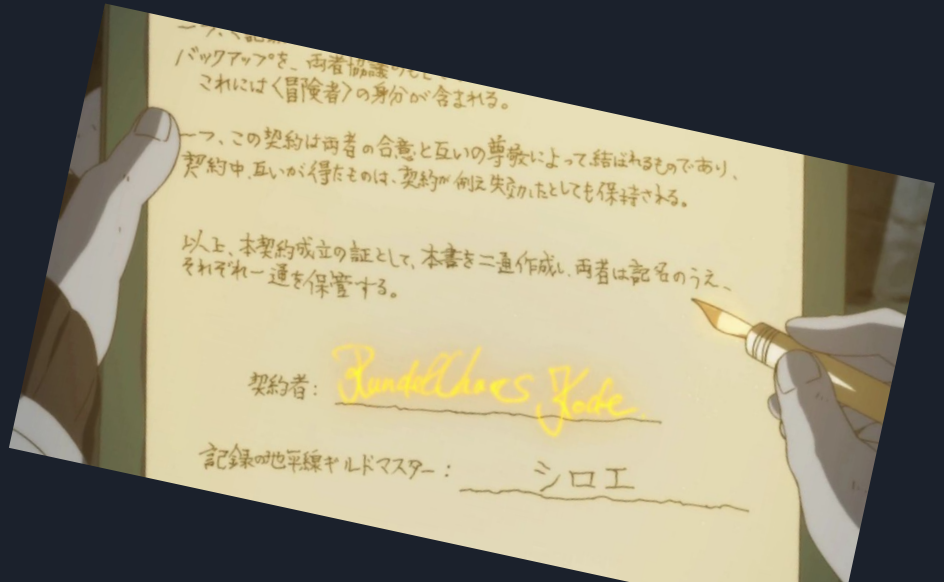
1) Another Zoom Meeting
2) An In-Person Meeting at Geisel West Library
3) Overwatch 2 Custom Game
4) League of Legends Custom Game

Reminder to Add people to gitHub Page!!!

Team Contract

Basically just a team working agreement:

- Definition of what is expected to be on the team
- Definition of how to address situations where group "rules" are not being followed



Team Video

Please upload an 8 second clip of you introducing yourself, I'll montage them together for the team video!

That’s all Folks!
